I Am

Ricky Martin

Tu cuerpo descargarlo
Mi feeling agÃ¡rralo
DÃ©jate llevar y siÃ©ntelo
Sin control estamos haciÃ©ndolo

I told you, you didn't get enough of me
I told you, so this is where you wanted to be
I told you, she never let me see the hotness that sound is provoking me
I told you that you're like an animal
I told you, have you naked on the floor
I told you, now you can let me go

There's a hundred people here watching the show
Oh, I like it when you bend like that
Oh, just stop it baby keep it right there
Oh, said you want a fantasy
Bet you never thought it was going to be me

[Chorus]
I am I am I am
Damn I want to come, but you come before me
Damn I want to come, but you come before me

When I watch you, tell me you can hardly breath
I watch you, the thought of you watching me
Watch you, think if I go too deep
Girl don't you know what you're doing to me
Don't stop, go ahead and take it off
Don't stop, about them watching us
Don't stop, going to call the cops

But this kiss just go ahead and lock me up
Oh, I like it when you bend it like that
Oh, just stop it baby keep it right there
Said you want a fantasy
Bet you never thought that it was going to be me

[Chorus]

I can feel it come on, can't you feel it

Coming on, it's what I really want
Damn I want to come, but you come before me
I can feel it coming on, do you feel it
Coming on, it is what I really want
Damn I want to come, but you come before me
Damn I want to come, but you come before me

Me miran, me tientan, me matan, me sientan
Mi furia calienta, cualquiera violenta
Me piden que mi fuego la tenga, si quieren que conmigo se venga
Me gusta cuando mueves asÃ-, no pares de mirarme asÃ-
De lleno en el Ã©xtasis

Damn I want to come, but you come before me
I am I am I am
Damn I want to come, but you come before me
Damn I want to come, but you come before me

Damn I want to come, but you come before me
Damn I want to come, but you come before me
Damn I want to come, but you come before me
