Mr. Dream

Avant

You and I such a pair if you would stop

Stop runnin' from what's real

You call them dreams but they can't hear you

Searchin' for love when it's standin' right hereWhy would you choose to reach out your hand?

All those empty promises

You should understand

That you deserve better than, than that I'm the only one that really loves you babe

Why you wanna take it all away?

'Cause you steady chasin' after Mr. Dream

I'm the only one that really loves you babe

Can't you feel me runnin' through ya veins?

'Cause you steady chasin' after Mr. DreamCome over here girl

He can't love you girl

Come over here girl

If he don't wanna love you girlLook at you, pullin' your hair out

Losin' sleep 'cuz he never comes through

When I been here but you don't acknowledge

I read your mind, I know you better than you do, oh why? Why would you choose to reach out your hand?

All those empty promises

You should understand

Oh, you deserve better than, than that

Yeah, yeah, yeah, yeahI'm the only one that really loves you babe

Why you wanna take it all away?

'Cause you steady chasin' after Mr. Dream

I'm the only one that really loves you babe

Can't you feel me runnin' through ya veins?

'Cause you steady chasin' after Mr. DreamI wish that we could fly away

Take you from your misery

Girl, I read your story and it says, wanna dance in the sun

But you're chasin' after the wrong oneI'm the only one that really loves you babe

Why you wanna take it all away?

'Cause you steady chasin' after Mr. Dream

I'm the only one that really loves you babe

Can't you feel me runnin' through ya veins?

'Cause you steady chasin' after Mr. DreamI'm the only one that really loves you babe

Why you wanna take it all away?

'Cause you steady chasin' after Mr. Dream

I'm the only one that really loves you babe

Can't you feel me runnin' through ya veins?

'Cause you steady chasin' after Mr. DreamCome over here girl
He can't love you girl
Come over here girl
If he don't wanna love you girlCome over here girl
He can't love you girl
Come over here girl
If he don't wanna love you girl
