

Southern Love

Novel

I never heard talk so dirty
From a mouth so clean
Yeah she southern like corn bready calie greeze
Good girl, I can't get you outta my mind
And me fuss all over, I'ma make you mine
Girl you got that southern look
(girl you got that southern look)
Way you make my heart say
Girl you got that shotgun shoot em up bang bang
Girl you do the damn thang
Damn girl your body's vicious
Excuse me if I'm out of the line
But I like my women ghetto
Cat fishing sugar water
From the??? even to the bay
Baby all the way New Orleans
Whip, whip it real hard,
Whip, whip it real hard,
Maybe you can be my dragon queen
Good god you know you's a bad mama
Way you working that ass baby I will follow
Girl you got that southern look
(girl you got that southern look)
Way you make my heart say
Girl you got that shotgun shoot em up bang bang
Girl you do the damn thang
Maybe dollar looks could kill you being oozy
Drinking all black and bag is all Louie
Girl it's all about that bass it's all boosie
We can take it back to my place it's all Gucci
Yeah you know you holler than cas guys and fish greeks
Virginia beach in summer times in intense heat
Make up flawless, eyebrows on fleet
My guns is draws, I'm all yours, move and sink
Girl you got that southern look
(girl you got that southern look)
Way you make my heart say
Girl you got that shotgun shoot em up bang bang
Girl you do the damn thang.
