

# Static (Mix II)

## 2Pac

I smoke this niggas like they  
(Tupac, Tupac)  
I smoke this niggas like they  
(Tupac, Tupac, Tupac come here and rock) I'm smokin' these niggas like they endo  
Breakin' 'em like they windows  
And still they riff till they get a whiff of the shit that I kick  
And if they ever had a notion to stop me  
Shoot ya best shot and get dropped wit ya posse (Static, static, Tupac, Tupac)  
Static is the last thing you need when you see me  
(Tupac go ahead and rock)  
Static is the last thing you need when you see me (Static, Tupac, Tupac)  
Static is the last thing you need when you see me  
(Tupac go ahead and rock) Nigga, I got the motz I'm takin' 'em out a lot, I got  
More than you can hock I'm rockin' the spot  
So now they jock loc'em and get dropped  
Tupac ain't tryin' to hear it I'm swingin' at your knot I'm swingin' at your knot so hot  
Static is the last thing ya need when ya see me  
Better have a bat or a gat to defeat me  
Nigga I'm a whole posse rolled into one shot Takin' all ya got, as your girl gets hot  
And rocks the spot (Static, static, Tupac, Tupac)  
Static is the last thing you need when you see me  
(Tupac go ahead and rock)  
Static is the last thing you need when you see me (Static, Tupac, Tupac)  
Static is the last thing you need when you see me  
(Static, Tupac, Tupac)  
Static is the last thing you need when you see me Bringin' the funky flavor with the gift that only God gave  
Bringin' the funky flavor with the gift that only God gave  
Bringin' the funky flavor with the gift that only God gave Point me to my grave, I'd rather die than be a slave  
Slaves come as dope dealers  
Some come as addicts  
Some try to run while the others call static Static, static, Tupac go ahead and Tupac go ahead and  
Static is the last thing you need when you see me  
Static is the last thing you need when you see me Static, Tupac go ahead and Tupac go ahead and  
Static is the last thing you need when you see me  
Static is the last thing you need when you see me Static, Tupac, Tupac  
Static is the last thing you need when you see me  
Static, Tupac, Tupac  
Static is the last thing you need when you see me Static, Tupac, Tupac  
Static is the last thing you need when you see me

Static is the last thing you need when you see me  
Static, Tupac, Tupac  
Static is the last thing you need when you see me  
Static is the last thing you need when you see me  
Static is the last thing you need when you see me  
Static, Tupac, Tupac  
Static is the last thing you need when you see me  
Static is the last thing you need when you see me  
Static is the last thing you need when you see me
