She Walks (Waywork & Cris Xalambri)

Lamb

Boy you had a dream that one day she would fly
High above the city streets
Now she's so much older gazing at the sky
Until lessons all been life can teachAnd she walks
For miles she walks
Yeah she walks
Yes she walksAnd she walks
For miles she walks
Yeah she walks
Yes she walks
Each on every pavement rises up to find
Even though the way is long
Office blocks and pawn shops seep into her mind
Help to keep the memories goneGloria still feels it
Though it's hiding in each stepAnd she walks
For miles she walks
Yeah she walks
Yes she walksAnd she walks
For miles she walks
Yeah she walks
Yes she walks
And she walks
For miles she walks
Yeah she walks
Yes she walks
Yes she walks
