

# Better To Love

Casey Donovan

Saying goodbye  
It's never easy  
Sometimes love  
Is a fair weather friend  
Just when you thought  
It was forever  
Your whole world  
It comes to an end  
You know I've felt like this  
I've been there before  
And there is one thing I know It's better to love  
Than feel the pain  
Than to hide  
Your love away  
Cause I'd rather feel  
I'd rather cry  
It's better to love I see you're hurt  
And I know your reasons  
It's only a matter of time  
Before your heart can  
Find sweet love again  
And give you the courage to fly  
You know I've felt like this  
I've been there before  
And there is one thing I know It's better to love  
Than feel the pain  
Than to hide  
Your love away  
Cause I'd rather feel  
I'd rather cry  
It's better to love Some people run away  
Let love just fade away  
And end up with nothing at all  
It's better to love I'd rather feel  
I'd rather cry  
It's better to love It's better to love  
Than feel the pain  
Than to hide  
Your love away

Cause I'd rather feel  
I'd rather cry  
It's better to loveCause I'd rather feel  
I'd rather cry  
It's better to love  
It's better to love
