Tatoo

Kix Brooks

No matter what you say about love,
I keep coming back for more,
Keep my hand in the fire,
Sooner or later I get what I'm asking for
No matter what you say about life
I learn everytime I bleed
The truth is a stranger
Soul is in danger
I gotta let my spirit be free
To admit that I'm wrong
And then change my mind
Sorry but I have to move on and leave you behind

I can't waste time so give it a moment
I realized nothing's broken
No need to worry about everything I've done
Lived every second like it was my last one
Don't look back, got a new direction
I loved you once needed protection
You're still a part of everything I do
You're on my heart just like a tattoo
Just like a tattoo
I'll always have you
I'll always have you

Sick of playing all of these games
It's not about taking sides
When I looked in the mirror, didn't deliver
It hurt enough to think I could stop
Admit that I'm wrong and then change my mind
Sorry but I've gotta be strong and leave you behind

I can't waste time so give it a moment
I realized nothing's broken
No need to worry about everything I've done
Lived every second like it was my last one
Don't look back got a new direction
I loved you once needed protection
You're still a part of everything I do

You're on my heart just like a tattoo
Just like a tattoo
I'll always have you
I'll always have you

If I live every moment,
Won't change any moment,
Still a part of me in you
I will never regret you
Still the memory of you
Marks everything I do.
oooh..

I can't waste time so give it a moment
I realized nothing's broken
No need to worry about everything I've done
Lived every second like it was my last one
Don't look back got a new direction
I loved you once needed protection
You're still a part of everything I do
You're on my heart just like a tattoo

I can't waste time so give it a moment
I realized nothing's broken
No need to worry about everything I've done
Lived every second like it was my last one
Don't look back got a new direction
I loved you once needed protection
You're still a part of everything I do
You're on my heart just like a tattoo,
Just like a tattoo
I'll always have you
