

# Soul Cruisin

## Bill Kirchen

(song written by J. New)

I used to be wound up with nervous intent  
I always had my foot on the gas  
Almost burnt out by twenty one  
My life was pushinâ€™ by so fast  
The people you know, that a life of speed  
It never really goes nowhere  
Itâ€™s those subtle moves and easy grooves  
That's still gonna get you there

They call it so oh oh oh oul cruisinâ€™,  
They call it so oh oh oh oul cruisinâ€™

I used to strike out with all the ladies  
I guess I pushed â€˜em much too hard  
I wanted so to impress, that I just never guessed  
My love was held in such low regard  
But a real fine girl, sheâ€™s a friend of mine  
And I love her to this day  
She calmed me down, turned me around  
She showed me thereâ€™s a better way

She got me so oh oh oh oul cruisinâ€™  
She got me so oh oh oh oul cruisinâ€™

Guitar solo  
Pedal steel solo

Youâ€™re chasinâ€™ that money  
Youâ€™re chasinâ€™ your fate  
Just take it easy and try to concentrate

â€˜Cos itâ€™s so oh oh oh oul cruisinâ€™  
Mmm Momma so oh oh oh oul cruisinâ€™  
Weâ€™re goinâ€™ so oh oh oh oul cruisinâ€™  
Yeah weâ€™re goinâ€™ so oh oh oh oul cruisinâ€™

---
