

# Oh My Love

Chris Brown

im a bad man but im a sucker for love like im addict  
girl I really love the way you're looking at me  
so ima show you the meaning of what a man is  
i'm nasty, car go zum-zum and then the speakers  
in the trunk go boom-boom  
i can give it to you fast or slow,  
girl i'm a gentleman I'll open your door  
get the party started like whoa-whoa, spinning a lot tonight  
hoping you stay tonight ending the party right  
whoa-whoa, take everything off your mind we can just take our time  
whatever you want  
I-I, got a lot of money but that don't mean shit cause i need you honey  
baby i gotta have you girl  
lemme get it when i get it if i get it i'ma kill it  
baby when you get it we be rolling on the floor like  
baby you so gifted when you kissing on my lips  
then when we switchin the position you ain't ever gotta slow down  
i can be the, be the lover of ya life  
I just wanna be under the covers for the night,  
take a look around, put your hands in the air like  
the ceilings falling down

Chorus:

take a chance with me, girl you know that i won't do you no harm  
oh my love, you got my heart, heart, heart  
yeah, you know we're meant to be, yeah  
all this magic you should wish on a star  
oh my love you got my heart, heart, heart

Verse:

im a bad man, what i am, what i am, what i am, what i am baby say that  
i'm a bad man and i can't and i can't and i can't just cause  
i'm a, i'm a, i'm a, i'm a bad man (i'm a bad man)
