

Walls (& Josh Klinghoffer)

John Frusciante

Rain on your mind
If I'm so inclined
It's left you all
At there photo stall
One blast, my fast So you wanna know, where you're gonna go?
So you wanna know, where you're gonna go And all you want
To be is a God
You're safe as that
My friend go back
Of time, time So you wanna know, where you're gonna go?
So you wanna know, where you're gonna go?
So you wanna know, where you're gonna go?
So you wanna know, where you're gonna go? There's only death
And I say that yet
This life is a frontier of pain
Disgust, disgust So you wanna know, where you're gonna go?
(Walls)
So you wanna know, where you're gonna go
(Walls)
So you wanna know, where you're gonna go?
(Walls)
So you wanna know, where you're gonna go?
(Walls) Once I'm cornered, I can't center
I will go beyond
Plans to kill me seem to falter
I am not my own
Eyes can't see me or the others
You do things our way
Extra meaning, truth won't free them
Not worth a thing I say
Hey
