

Deny me

Submersed

I see my life flowing dreams
With your eyes they see
The love in you and me
Peaceful dreamsLive in you besides the things we hold
Dear in our hearts fear it brings
Faith in unseen living in as one
The difference in you and meIn my eyes through the sky
You and I yeah, don't deny
You will find the time to unwindPlease your mind, it heals my love
Forever together you distant times
That bring me down with your love I rise
Forever together you
