Got Myself to Blame

[The Trews](#)

Out on the rails
Out on the rails keep riding further
Time never fails
Time never fails please help me forget her
Teeth biting nails
Teeth biting nails i can't keep it together
Telling the tale
Telling the tale she's gone foreverSo go train
I got myself to blame
I got myself to blame
I got myself to blameWords on the wall
Words on the wall serve to remind me
You had it all, I had it all all that is history
It's what you called
It's what you called promise to pity
Freedom to fall
Freedom to fall mending my miserySo go train
I got myself to blame
I got myself to blame
I got myself to blameGo train
I got myself to blame
I got myself to blame
I got myself to blameUnjustified love, you don't know me, you don't know me
Unjustified love, you don't know me, you don't know meOut on the rails
Out on the rails I can't get any further
Time never fails
Time never failsSo go train
I got myself to blame
I got myself to blame
I got myself to blameOh yeah
So go trainI got myself to blame
I got myself to blame
I got myself to blame
So go train
