

# Belief (Live in Bristow - July 31, 2010)

John Mayer

Is there anyone who ever remembers  
Changing their mind from the paint on a sign?  
Is there anyone who really recalls  
Ever breaking record off  
For something someone yelled real loud one time?  
Oh, everyone believes  
In how they think it ought to be  
Oh, everyone believes  
And they're not going easily Belief is a beautiful armor  
But makes for the heaviest sword  
Like punching underwater  
You never can hit who you're trying for  
Some need the exhibition  
And some have to know they tried  
It's the chemical weapon  
For the war that's raging on inside  
Oh, everyone believes  
From emptiness to everything  
Oh, everyone believes  
And no one's going quietly We're never gonna win the world  
We're never gonna stop the war  
We're never gonna beat this  
If belief is what we're fighting for  
We're never gonna win the world  
We're never gonna stop the war  
We're never gonna beat this  
If belief is what we're fighting for Is there anyone you can remember  
Ever surrender with their life on the line? We're never gonna win the world  
We're never gonna stop the war  
We're never gonna beat this  
If belief is what we're fighting for  
We're never gonna win the world  
We're never gonna stop the war  
We're never gonna beat this  
If belief is what we're fighting for What puts a hundred thousand children in the sand?  
Belief can, belief can  
What puts a folded flag inside his mother's hand?  
Belief can, belief can.
