

Carnage

Mayhem

Witchcraft, blood and Satan

Meet the face of Death

Blood

Fire

Torture

Pain

KILL

Witchcraft, blood and Satan

Meet the face of Death

Blood

Fire

Torture

Pain

Winds of war, winds of hate

Armageddon, tales from Hell

The wage of mayhem, the wage of sin

Come and hear, Lucifer sings

Command for blood, command for war

Command for Satan, command for Hell

Command for blood, command for war

Command for Satan, command for Hell

Command for blood

Command for Satan

Command for you
