

Wee Wee Willies

[Brenda Lee](#)

Baby baby got the wee willies chee chee chillies for you
Baby baby got the wee willies chee chee chillies for you
Well I shake with the willies shiver with the chillies I ain't got nothin' warm to hold
My baby left me said he's goin' to forget me wo wo wo baby ain't it cold yeah
Baby baby got the wee willies...Baby baby got the wee willies...
You had to let loose and maybe blow off steam just like a radiator
Now you got a cold stare I know you don't care feel just like a refrigerator
Baby baby got the wee willies...
The chee chee chillies the wee wee willies for you
