Just Let Me Cry

Lesley Gore

Oh stars on high, why can't I make you see,
That I don't want your light to shine on me.
He said goodbye.
Just let me cry.Don't let me hear the robins sing above.
What good's their song if I've no one to love?
He said goodbye.
Just let me cry.Hide ev'ry lovely flower from my sight.
Don't let that dreamy moon come out tonight.
And please don't let me see two lovers kiss.
Don't let me be reminded what I miss.
He said goodbye.
Just let me cry.Oh stars on high, please won't you shine on me.
And help me to erase this memory.
He said goodbye.
Don't let me cry.(the song ends here, but these additional
lyrics were written.)Please let me hear the robins sing above.
So I'll forget this longing for his love.
He said goodbye.
Don't let me cry.When I see that dreamy moon come out tonight,
Let me find two other arms to hold me tight.
I need the magic of a burning kiss.
To lose the mem'ry of the lips I miss.
He said goodbye
