

Hot Patootie - Bless My Soul

Meat Loaf

Whatever happened to Saturday Night
When you dressed up sharp and you felt alright
It don't seem the same since cosmic light
Came into my life, I thought I was divine
I used to drive around with a chick who'd go
Listen to the music on the radio
A saxaphone was blowing on a rock 'n' roll show
You climbed in the back seat
Really had a good time Hot Patootie - Bless my soul
I really love that Rock and Roll
Hot Patootie - Bless my soul
I really love that Rock and Roll
Hot Patootie - Bless my soul
I really love that Rock and Roll
Hot Patootie - Bless my soul
I really love that Rock and Roll My head used to swim from the perfume I smelt
My hand's kinda fumbled with her white plastic belt
I'd taste her baby pink lipstick and that's when I'd melt
She'd whisper in my ear tonight she really was mine
Get back in front put some hair-oil on
Buddy Holly was singing his very last song
With your arms around you girl you try to sing along
You felt pretty good
Really had a good time Hot Patootie - Bless my soul
I really love that Rock and Roll
Hot Patootie - Bless my soul
I really love that Rock and Roll
