Devil Rides Out (2010 Remaster)

Saxon

Cast a spell, in the night
Black hearted woman, mystifies.
Heart of stone, cold as ice
Play your cards, roll the dice.You're a devil, in disguise
I see the evil, in your eyes.
I used to love you, but now I know
That devil woman, you won't let go.She's a devil! See the devil ride out
She's a devil, see the devil ride out (ride out)Spin the wheel, cast my fate
Wicked body, filled with hate.
I feel your power, in my soul
Trapped inside, your crystal ball.Turn the key, lock me in
Keep my hungry for your sin.
We were lovers, from the start
Stop this torture of my heart.She's a devil! See the devil ride out (ride out)
She's a devil, see the devil ride out
See the devil, ride out
See the devil, devil, devil, devil
See the devil, devil, devilSee the devil, devil ride out (mmm you black hearted woman)
See the devil, devil ride out (you're as cold as ice)
See the devil, devil ride out (see the devil, devil ride out)
See the devil, devil ride out (see the devil, devil ride out)I'm the loser, in the game
You're the keeper, you've got me tamed.
You're the priestess, eyes of fire
Now I see, you're a liar.I've been a fool, I should have known
You were evil up to the bone.
Break this spell, let me go
It's not a secret anymore.She's a devil! See the devil ride out
She's a devil, see the devil ride out (ride)
She's a devil! See the devil ride out
She's a devil! See the devil ride out (ride out)
