

Retrogression

Amane

Holding back unconnected
Lapsing in a hole
Intermission never ending
Castigate this voidCage this retrogression
 Gates of change
 Disturbing self confessions
Powerless ragePlummeting hate trivia
 Pumping through my veins
 Dispassionate envy
Sharpens the bladeCage this retrogression
 Gates of change
 Disturbing self confessions
Powerless rageCage this retrogression
 Gates of change
 Declining optimism
Desire derangedCage this retrogression
 Gates of change
 Disturbing self confessions
Powerless rageCage this retrogression
 Gates of change
 Declining optimism
 Desire deranged
