

Thinking

Nacho Monetto

I can't stop thinking while I'm on the can
Your eyes pop in my mind again and again
 Oh Annie, why can't you understand
Every night I dream about being your man

 But every time I come up to you
My throat turns dry, I'm tripping on my shoes
 I don't know what I'm gonna do
 I don't know what I'm gonna do

Cause I think I have fallen in love with you
Cause I think I have fallen in love with you
 It's true

 Wishing that you'd come up to me
You're always on my mind, you're driving me crazy
 I'm missing your personality
You're always on my mind, you're making me lazy

 But every time I come up to you
My throat turns dry, I'm tripping on my shoes
 I don't know what I'm gonna do
 I don't know what I'm gonna do

Cause I think I have fallen in love with you
Cause I think I have fallen in love with you
So please, oh please won't you tell me that you love me too
