

# Go Amanda

Steve Earle

Take your red dress, leave the hanger  
Lose the sadness, use the anger  
You might need it 'fore you get there Oh, Amanda  
You don't have to say goodbye  
Just go Amanda  
Ain't no way you didn't try  
Woh, oh all right Tell your sister, tell your brother  
Take a picture to your mother  
You've been livin' undercover Oh, Amanda  
You don't have to say goodbye  
Just go Amanda  
Ain't no way you didn't try  
Woh, oh all right Oh, Amanda  
You don't have to say goodbye  
Just go Amanda  
Ain't no way you didn't try  
Woh, oh all right Oh, Amanda  
You don't have to say goodbye  
Just go Amanda  
Ain't no way you didn't try  
Woh, oh all right Oh, Amanda  
Oh, Amanda
