Teen Suicide

this band's so boring
i wouldn't pay a cent
to watch them play
i don't think they could write
a song to save their lives
i don't get the hype
stand in a crowded room and
pretend im having fun
when they don't even
pretend to have fun
lately i'm so bored
by people who
aren't bored by people too
i don't know about you
but i guess it's just no fun
when i'm the only one
