

I've Got a Great Idea

Harry Connick, Jr.

I've got a great idea
And wouldn't you like to know
 You probably can't bear it
 So I guess I'll have to share it
I thought of it a moment agoIt starts with your hand in mine
 And next comes a little stroll
 You probably won't buy it
 But I'm trying to keep it quiet
 So please don't tell a soul'cause if you do
 The world and you
 Will think I'm crazy and give me medicine
 They'll drag me away
 And as I go you'll hear me say
I could have been a decent match for EdisonIdeas are few and far between
 And good ideas are rarer still
 So listen and be wise
 Just forget the other guys
 'cause my idea's no good for three
 My idea is you and me
