Blue Monday

Fats Domino

Blue Monday how I hate blue Monday
Gotta work like a slave all day
Here comes Tuesday oh Tuesday
I'm so tired I've no time to play
Here comes Wednesday
I'll be to myself
My world's poor by the time that I'm up
But then it's a hard workin' day
But I gotta get my paySaturday mornin'
Oh Saturday mornin'
All my time has kept goin' away
I got my money and my honey
And I'm gonna stay to play
Sunday mornin' my head is bad
Was it worth, for the time that I've had?
But I got to get my rest
Because Monday is a messSaturday mornin'
Oh Saturday mornin'
All my time has kept goin' away
I got my money and my honey
And I'm gonna stay to play
Sunday mornin' my head is bad
Was it worth it for the time that I've had?
But I got to get my rest
Because Monday is a mess
