

# The Final Attraction

Kris Kristofferson

Well, here you are, the final attraction  
Awaiting direction  
>from somewhere above  
Your finest performance  
Approaching perfection  
I know what you're making  
It's some kind of loveSomewhere in your lifetime  
You were dared into feeling  
So many emotions that tear you apart  
But they loved you so badly  
For sharin' their sorrow  
So pick up that guitar  
And go break a heartYou can do it one more time, son, we're with ya  
Pick up that guitar  
Go break a heart  
You can do it this time just for hank williams, can't ya?  
Go break a heart  
Maybe one time for otis redding  
Go break a heart  
And one time for janis joplin  
Yeah, that's right. go break a heart  
O.k. yeah, one more time for james dean  
Go break a heart  
God bless george jones  
Go break a heart  
And maybe one time for me  
Go break a heart
