

# Pussycat

## Los Flechazos

Pussycat, pussycat, I love you

Yes, I do

You and?

One, two

We gone send this one out to all the pussycats

Strugglin' out there, let's go

Whoa, whoa, whoa

See that pussycat

Whoa, whoa, whoa

See that pussycat

Whoa, whoa, whoa

See that pussycat

Whoa, whoa, whoa

Pussycat, lay back, take a sip of this yak

Feel me on this track

Girl, let me spell out pussycat

You're the P U S S Y C A T

That's Clef in the drop Lex

Keep the prophylactics for safe sex

Manicure, pedicure

Human hair from the Korean stores

Ghetto cats, got your back

I keep a gat for the alley cats

Sexy cat, rough cat

Doggy style on the floor mat

But make sure you wear your mitten

Or pay child support for your kitten

What's new pussycat?

Whoa, whoa, whoa, whoa

Whoa, whoa, whoa

See that pussycat

Whoa, whoa, whoa

See that pussycat

Whoa, whoa, whoa

See that pussycat

Whoa, whoa, hold up, wait a minute

To all my hood kitties

Don't you pull your claws

There'll be none of that on the dance floor

For the battle cats I got metaphors  
You don't wanna test  
You got sweaty paws  
Which part you don't understand  
Don't let it be another cat scan  
Talk a ice when my shine reacts  
I leave you blind wit a cataract  
Aye yo  
But did anybody see my bobcat  
Anybody  
It's been three weeks and we still haven't spoken  
Oh, Lord  
She found some mitten inside of my glove compartment  
I said, "It wasn't mine"  
She said, I'm a cat that was lyin'  
So, hey kitty-kitty, meet me in the city  
You know dogs we always on the gritty gritty  
Freaky deaky in the pretty puddy-puddy  
So baby girl, let me ride the pony pony  
What's new pussycat?  
Whoa, whoa, whoa, whoa  
Whoa, whoa, whoa  
See that pussycat  
Whoa, whoa, whoa  
See that pussycat  
Whoa, whoa, whoa  
See that pussycat  
Whoa, whoa, whoa  
Yo, where my freaky cats?  
Ready to do anything  
Put the blind fold on  
Girl, let me feel your tongue ring, bling  
Now I'ma quick cat  
Before your mama get back, cat  
Let me hit this with the quickness  
Feel my physical I'm fitness  
Aye, baby turn the a/c on  
It's hot up in here  
The way I stroke your fur  
I make you wanna purr up in here  
Sweat's coming down your back  
Like drops of rain  
Say my name  
Say my name, baby  
See that pussycat

Whoa, whoa, whoa  
See that pussycat  
Whoa, whoa, whoa  
See that pussycat  
Whoa, whoa, whoa  
To all my independent cats  
Raisin' kittens on through own their own  
Oh, hold your own girl  
And to all my stray kittens  
I got plenty mittens  
And we can get it on, yeah yeah  
All night long  
All night long  
All night long  
All night long  
Whoa, whoa, whoa, whoa  
Whoa, whoa, whoa, whoa
