

My Cry

Holly Starr

My Cry(verse)
I lay it all before you now
I'm breaking down
I'm crying out
I need Your grace
I need Your help, Oh Lord(pre-chorus)
I'm just trying to live for You Father
I'm just dying to live for You Father(chorus)
Oh Lord what can I do
I just wanna serve You
I just wanna see You glorified
Oh Lord what can I say
I just wanna serve You
Please take my life
This is my cry
This is my cry(verse)
I will not stay here anymore
I'm not the way
I was before
I need Your strength
I need Your help, Oh Lord(bridge)
Oh, take my hands
take this voice, use them
Oh, take my life written on Your hands
