

Wake Up (O.J.)

Snoop Dogg

[Snoop] Yeah man this s*** here gonna be bigger than the O.J. case

[Tray Deee] What?

[Snoop] His dick

laughter

[Tray Deee] Another blast from the Long Beach section

Break gangsta s*** (Wake up)

I thought these fools knew Verse 1: Tray Deee

Out on the scout I'm about my papers

'cause ain't nobody doin Deee no favors

I'm tryin ta get major with minor risk

Maximisin the minimum of time is spent

on the heist, nice and easy believe me

I take mine and make mine extra cheesy

Keepin n****s in a headlock

Undress em, press em down in a full nelson

I hit jacks off six packs of the crooked one

They slip and I'm bookin em

F*** fingerprints, gimme from their fingertips

Chips to the neckline 'cause I got a Tek9

Check mine like a pimp-main ho

So hope you only see me when my grip ain't low

I go up in ya like a skeleton

So S-N-double O-Please let em know the crew I'm bailin with Chorus: Snoop Doggy Dogg

East-side LBC

is what I claim but my game is DPG

And every hustler in my clique got to get his grip

and in my world a girl is considered a biiiiiitch

Is money all that makes you move?

You ain't doin what'cha s'posed to so you gots ta prove

somehin to the ones you love but you needs ta know

If you ain't doin it for yourself it don't matter d'ooooh!

It was a wake up, wake up, wake up.....

Just to wake up, wake up, wake up.....

Wake up, wake up wake up.....

Get up, get up, get up..... Verse 2: Tray Deee

I break fools off like lepresy

If they dare, you stare when they next to me

I'ma threat to whoever sweat my style

Hard gangsta aim to represent til death

Reality, you battle me you be in the dirt quick
 I'm clever with whatever type of weapon I work with
 The bare hand man sleeper
 I even banked up and shank motherf***ers in the *?penta?*
 I sanked a gang of tough fools in my time
 so try me you're liable to lose on my line
 The 44'll be what cracks ya head
 'cause that's exactly what I'm bout ta cap you with
 I figured n****s gettin soft like jellatine
 So Doggy Dogg tell em all who we're sailin wit
 Chorus: Snoop Dogg
 East-side LBC
 is what I claim but my game is DPG
 And every hustler in my clique got to get his grip
 and in my world a girl is considered a biiiiiitch
 Is money all that makes you move?
 You ain't doin what'cha s'posed to so you gots ta prove
 somethin to the ones you love but you needs ta know
 If you ain't doin it for yourself it don't matter d'ooooh!
 It was a wake up, wake up, wake up.....
 Just to wake up, wake up, wake up.....
 I had to wake up, wake up wake up.....
 Get up, get up, get up.....Verse 3: Snoop Dogg
 Uh, gonna work that motherf***er and do the percolatin
 'cause Snoop Dogg came back with the head raider
 Al Davis's? Nah n**** Tracy Davis
 The Eastside Long Beach greatest
 Criminal with style and boy you love that
 Sit back relax and let me drop another rap
 but this one's for the sisters and not the hoes
 The ones who be groovin it on the step shows
 Let a n**** in, I ain't diss ya friend
 and like The Staples I make sure we do it again
 But don't blow a n**** up or show a n**** up
 and don't think a n**** sprung 'cause you know a n**** f***
 Love is a house and you got the key
 so give it to a n**** like a D-O-double G
 I'm from the...Chorus: Snoop Dogg
 East-side LBC
 is what I claim but my game is DPG
 And every hustler in my clique got to get his grip
 and in my world a girl is considered a biiiiiitch
 Is money all that makes you move?
 You ain't doin what'cha s'posed to so you gots ta prove
 somethin to the ones you love but you needs ta know
 If you ain't doin it for yourself it don't matter d'ooooh!

It was a wake up, wake up, wake up.....
Just to wake up, wake up, wake up.....
I had to get up, get up, get up.....
It was a wake up, wake up, wake up....
