

See the Sun

Dido

I'm coming round to open the blinds

You can't hide here any longer

My god you need to rinse those puffy eyes

You can't lie still any longer

And yes they'll ask where you've been

And you'll have to tell them, again and againAnd you probably don't want to hear tomorrow's another day

But I promise you you'll see the sun again

And you're asking me why pain's the only way to happiness

And I promise you you'll see the sun againCome on take my hand

We're going for a walk, I know you can

You can wear anything, as long as it's not black

Please don't mourn forever, she's not coming back

And yes they'll ask where you've been

And you'll have to tell them again and againAnd you probably don't want to hear tomorrow's another day

But I promise you you'll see the sun again

And you're asking me why pain's the only way to happiness

And I promise you you'll see the sun again

And I promise you you'll see the sun againDo you remember telling me you'd found the sweetest thing of all

You said that one day of this was worth dying for

So be thankful you knew her at all

But it's no moreAnd you probably don't want to hear tomorrow's another day

But I promise you you'll see the sun again

And you're asking me why pains the only way to happiness

And I promise you you'll see the sun again

And I promise you you'll see the sun again
