

(who Says) You Can't Have It All

[Alan Jackson](#)

A stark naked light bulb hangs over my head
There's one lonely pillow on my double bed
Yeah I've got a ceiling, a floor and four walls

Oh who says you can't have it all

My room's decorated with pictures of you
Your letters wallpaper this shrine to the blues
I've got precious memories at my beck and call

Oh who says you can't have it all

I've got everything a broken heart needs

Oh I'm doing fine don't you worry about me
'Cause I'm Lord and Master of a fools Taj Mahal

Oh who says you can't have it all

I've got everything a broken heart needs

Oh I'm doing fine don't you worry about me
'Cause I'm Lord and Master of a fools Taj Mahal

Oh who says you can't have it all

Oh who says you can't have it all
