

Magic Hour

Les Thugs

It is time, open your eyes
Ready for the light show.
A free wonder is coming on
That's the Magic Hour When the sun is setting
When the sky is burning You should stop this for a while
Raise your eyes and calm down.
Anyplace is looking great
That's the Magic Hour When the sun is setting
When the sky is burning
Hurry up it's gonna end
Get ready for the lat (last? late?) song
Purple, cotton in the air
That's the Magic Hour
When your face is blazing
Anyone is pretty
When the sun is setting
When the sky is burning
