

# Automatic Schmuck

## The Hives

Born only a month ago yet I'm (already) fully grown from head to toe.  
Lots of metal, lots of grease and put together piece by piece.

To support a system that uses me....but the day is here and they're gonna see.

I'm on a mission cause now I've had it.

I watch their system and spit right at it.

I was born and plated a schmuck they created.

I'll explode I'll erode yeah I'll break you fucking code cause

I'm an automatic schmuck.

With a tendency to rock.

Deprived of mind but yet I know

I'm a metallic man about to blow.

Time to set the record straight.

Time to let out all my hate.

I'm on a mission an metallic man with the intention to expose the plan.

I was born and plated a schmuck they created.

I'll explode I'll erode yeah I'll break you fucking code cause

I'm an automatic schmuck.

With a tendency to rock.

I'm on a mission a metallic goof

It takes a man of steal to reveal the truth.

I was born and plated a schmuck they created.

I'll explode I'll erode yeah I'll break you fucking code cause

I'm an automatic schmuck.

With a tendency to rock.
