Stay And Drown

Finger Eleven

Good God, have I been dreaming
This paralyzing feeling?
Was I left alone?
Where have you gone?
Were you somewhere else just sleeping?If I wait to wake you
I'll never ask youWould you take my hand in the deepest end
Would you stay and drown in me?
Take my hand in the deepest end
My open eyes see everythingBut I'm passing all the days
Through a window pane
And as the scene would change
I'd stay the sameThis paradise was nothing new
But the paradise gets tired of you
A single conversation
Stole my attentionWould you take my hand in the deepest end
Would you stay and drown in me?
Take my hand in the deepest end
Would you stay and drown in me?My open eyes see everything
And you see nothing
And don't forget itTake my hand in the deepest end
Would you stay and drown in me?
Take my hand in the deepest end
Would you stay and drown in me?Take my hand in the deepest end
Would you stay and drown in me?
Would you stay and drown in me?
Would you stay and drown in me?
