The Stalker

Piebald

I'll be around every corner you go,
Don't you look so surprised
I'll be in every dressing room that you're in oh.
I'll be holding every door you go through.
You don't even have to say thanks!
I'll get groceries at the same time as you oh.
Don't think I don't know what suits you well o yeah.
Don't think I don't know.
I'll be in every smoking corner your seeing.
Counting your drinks.
I'll be the guy who drives past your house oh.
I'll be hiding behind your mirror, watching you crimp your hair.
I'll follow you with sunglasses on. Oh.
Don't think I don't know what suits you well oh yeah.
Don't think I don't know yeah!
I'll be looking through your windows at night.
Watching you sleep
I will see you at your big game. Oh.
I'll be at the same parties as you.
And I'll meet you in the closet.
I'll follow you when the sun comes up. Oh.
Don't think I don't know what suits you well oh yeah.
Don't think I don't know what suits you. Yeah.
Don't think I don't know what suits you well, oh yeah.
Don't think I don't know. Yeah.
