

O.N.E. (Them Jeans Remix)

Yeastayer

One's not enough
I won't stop 'til I've given you up
Here, right as I am, it's hard having fun
It's much easier said than it's done Hold me like before
Hold me like you used to
Control me like you used to No
You don't move me anymore
And I'm glad that you don't
'cause I can't have you anymore
But I thought you should know
You don't move me anymore
And I'm glad that you don't
Because I can't take it anymore
Oh The room's still now when I'm lying
'cause the well of the night has gone dry
When they ask to behave, I pay them no mind
Now I doubt if I'd have been so kind Hold me like before
Hold me like you used to
Control me like you used to No
You don't move me anymore
And I'm glad that you don't
'cause I can't have you anymore
But I thought you should know
You don't move me anymore
And I'm glad that you don't
Because I can't take it anymore
More Hold me like before
Hold me like you used to
Hold me like before
Hold me like you used to
Hold me like before
Hold me like you used to
Control me like you used to
Hold me like before
Hold me like you used to
Control me like you used to No
You don't move me anymore
And I'm glad that you don't
'cause I can't have you anymore

But I thought you should know
You don't move me anymore
And I'm glad that you don't
Because I can't take it anymore But I found you should know It feels like being tranquilized
I know the separation kills us so
But I won't stop falling like raindrops
Because I like it when you lose control
