

# I Will Survive

Demi Lovato

At first I was afraid  
I was petrified  
Kept thinking I could never live  
Without you by my side  
But then I spent so many nights  
Thinking how you did me wrong  
And I grew strong  
And I learned how to get along  
And so you're back  
From outer space  
I just walked in to find you here  
With that sad look upon your face  
I should have changed that stupid lock  
I should have made you leave your key  
If I had known for just one second  
You'd be back to bother me  
Go on now go walk out the door  
Just turn around now  
Cause you're not welcome anymore  
Weren't you the one who tried to hurt me with goodbye  
Did you think I'd crumble  
Did you think I'd lay down and die  
Oh no, not I  
I will survive  
Oh as long as I know how to love  
I know I'll stay alive  
I've got all my life to live  
I've got all my love to give  
And I'll survive  
I will survive (hey-hey)  
It took all the strength I had  
Not to fall apart  
Kept trying hard to mend  
The pieces of my broken heart  
And I spent oh so many nights  
Just feeling sorry for myself  
I used to cry  
But now I hold my head up high  
And you see me  
Somebody new  
I'm not that chained up little person

Still in love with you  
And so you felt like dropping in  
And just expect me to be free  
And now I'm saving all my loving  
For someone who's loving me  
Go on now go walk out the door  
Just turn around now  
Cause you're not welcome anymore  
Weren't you the one who tried to break me with goodbye  
Did you think I'd crumble  
Did you think I'd lay down and die  
Oh no, not I  
I will survive  
Oh as long as I know how to love  
I know I'll stay alive  
I've got all my life to live  
I've got all my love to give  
And I'll survive  
I will survive
