Open Arms

Nu Flavor

Lying beside you, here in the dark
Feeling your heart beat with mine
Softly you whisper, you're so sincere
How could our love be so blindWe sailed on together
We drifted apart
And here you are by my sideSo now I come to you with open arms
Nothing to hide, believe what I say
So here I am with open arms
Hoping you'll see what your love means to me, open armsLiving without you, living alone
This empty house seems so cold
Wanting to hold you, wanting you near
How much I wanted you homeBut now that you've come back
Turned night into day
I need you to staySo now I come to you with open arms
Nothing to hide, believe what I say
So here I am with open arms
Hoping you'll see what your love means to me, open armsOpen arms
Open arms
Open arms
