

# Polish Girl (Rad Cat TRVP Remix)

## Neon Indian

It's been at least another year  
And still I haven't got the chance to say  
Always rolling off the tongue  
Never said but nearly sung about a million ways Every photograph and story  
Trickled through the lengthy web of friend  
I over thought but understood  
Distant look but looking good  
And not the other way But you fail to remember  
But you fail to remember Do I still cross your mind?  
Your face still distorts the time With heat struck afternoons long through  
Those idle dreams go back to you  
The echo's seem somewhat displaced  
Ever further from your face, I'm drifting off to  
Bored of mere flirtations  
That's what's made of constellations that I've sought  
Was this only in my head  
Just like most things go misread  
When overthought But you fail to remember  
But you fail to remember Do I still cross your mind?  
Your face still distorts the time Do I still cross your mind?  
Your face still distorts the time Do I still cross your mind?  
Your face still distorts the time
