Rather Be Dreaming

Margeaux Jordan

Another weekendâ€™s come and gone
Expecting romance, damn where did I go wrong
You would think a year later heâ€™d finally get it right
Oh prince charming come sweep me off of my feet tonight
I hang my cute dress back in the closet
And save it for another day

Then head over his place to spend the night
Doing the average no romance in site
Flicking through the channels to watch his same stupid shows
He says heâ€™s tired, maybe next week, I suppose

Iâ€™d rather be dreaming
Caught in a fairy tale
Iâ€™d rather be dreaming
Iâ€™m gonna break this spell
I could live it, I
I could live it, I
I could live it, I
Iâ€™ll bring it to life, Iâ€™ll
Bring it to life, Iâ€™ll
Bring it to life
I donâ€™t need it fancy
Prince charming, I still believe
I could live it, I
I could live it
Iâ€™ll bring it to life, Iâ€™ll
Bring it to life

Donâ€™t try too hard youâ€™ll hurt yourself
Do you think Iâ€™m happy on your trophy shelf?
Canâ€™t you see that Iâ€™m trying to make the shoe fit right
Oh prince charming come sweep me off of my feet tonight
Looking at me dead in the eyes
His words are cold and dry

He said youâ€™re stuck in a dream, realism out of site
Youâ€™re going to waste your whole entire life
Flicking through the channels to watch your same stupid shows

Hey babe youâ€™re seeking a prince charming no one knows

Iâ€™d rather be dreaming
Caught in a fairy tale
Iâ€™d rather be dreaming
Iâ€™m gonna break this spell
I could live it, I
I could live it, I
I could live it, I
Iâ€™ll bring it to life, Iâ€™ll
Bring it to life, Iâ€™ll
Bring it life
I donâ€™t need it fancy
Prince charming, I still believe
I could live it, I
I could live it
Iâ€™ll bring it to life, Iâ€™ll
Bring it to life

I guess the frog didnâ€™t become a prince
He couldnâ€™t take all of my subtle hints
And finally Iâ€™m breaking free
Oh I want to
To stare deep into each otherâ€™s eyes
And see his soul without havinâ€™ to try
My dreams will be reality
Iâ€™m movinâ€™ on

Iâ€™d rather be dreaming
Caught in a fairy tale
Iâ€™d rather be dreaming
Iâ€™m gonna break this spell
I could live it, I
I could live it, I
I could live it, I
Iâ€™ll bring it to life, Iâ€™ll
Bring it to life, Iâ€™ll
Bring it life
I donâ€™t need it fancy
Prince charming, I still believe
I could live it, I
I could live it
Iâ€™ll bring it to life, Iâ€™ll
Bring it to life
