Let the Light (Shine On Me)

Triumph

I've walked beside you through a thousand dreams
Sometimes I wonder where the journey leads
We never seem to get to where we want to go, noI won't betray the trust you have in me
I'll never lose my faith, in what can be
Don't ever be afraid to let your feelings show, noNothing to fear, no place to hide
We got to face the truth insideLet the light that shines in your eyes, shine on me
Let it shine forever, let the light shine on me
We can build a dream together nowOne in a million are the odds we face
One in a million, that's a chance I'll take
'Cause when the moment comes
I'll take my chance with youAnd when it's more than you can bear
You call my name and I'll be thereLet the light that shines in your eyes, shine on me
Let it shine forever, let the light shine on me
We can build a dream together nowSo hard to find your way out of the dark
Let the light shine from your heartLet the light shine, forever
Shine forever
Let it shine forever
Let it shineLet the light that shines in your eyes, shine on me
Let it shine forever, let the light shine on me
We can build a dream together nowLet the light that shines in your eyes, shine on me
Let it shine forever, let the light shine on me
We can build a dream together now
