

# Gay

## Nick Swardson

here we are dear old friend  
you and i drunk again  
laughs have been had and and tears have been shed  
maybe the whiskey's gone to my head  
but if i were gay  
i would give you my heart  
and if i were gay  
you'd be my work of art  
and if i were gay  
we would swim in romance  
but i'm not gay  
so get your hand out of my pants  
its not that i dont care -i do  
i just dont see myself in you  
another time, another scene  
i'd be right behind you -if you know what i mean

cause if i were gay  
i would give you my soul  
and if i were gay  
i would give you my whole being  
and if i were gay  
we would tear down the walls  
but i'm not gay  
so wont you stop cupping my.. hand  
we've never hugged  
we've never kissed  
i've never been intimate with your fist  
you have opened brand new doors  
get over here and drop your drawers
