

# Darling Baby

Barbara Mason

Darling, baby  
Life is so lonely without you  
Life is so lonely without you  
Since you left these arms of mine

I've been alone, trying  
Wondering why you left me behind

Darling, baby  
Can't carry on since you've been gone  
Why don't you please  
Please, come on home

Let's talk it over  
Baby, baby, baby, baby  
Let's talk it over one more time

Oh, so many nights  
I wondered whose holding you tight  
Can't help but feel it should be me  
Oh, it should be me  
Cause I'm forever losing sleep at night  
Thank you for using Top40db.com.

Darling, baby  
I've been loving you so long  
Tell me what did I do wrong  
Come back to these arms of mine

Let's talk it over  
Let's talk it over one more time

Darling, baby  
This world is empty without you  
Keeps me crying with nothing to do  
Since you've left these arms of mine

Let's talk it over, baby, baby  
One more time

Mmm, darling, baby
