Sinner

Thorne Empire

I like the way you smile next to me
I like your body...
Every part that touches me

I like the way you make me feel
Lovesick, saying please.
The way you kneel before me on your knees
No other could ever please.

Wrap your legs around my neck
And keep on saying yes.
The places where we go
We are the first once and you know.

You calling me in.
I am keeping you in.
This craving I feel,
You make me forget that it's real.

Call me a saint,
Call me a sinner.
You are all that I need
And I know that you feel the same.
