Truth (feat. Alex Ligertwood)

[Brian Auger's Oblivion Express](#)

To be sure, you got everything you need
Look around, to oh, till you find something to keep
If you hold, on, to what is your heart's desire
You'll be sure, yeah, yeah, you got everything acquired
Oh, truth is so very, so very hard to find
Don't you care there'll come a time
Yeah, no no no no no no no no don't doubt itAnd to know how to retain what you just found
Believe in yourself, and we will be proud
Cause you see, oh, We're just the ones that's at this time
We'll arrive, yeah, yeah, at the end of our life
Oh, truth is so very, so very hard to find
Don't despair there'll come a time
Yeah, no no no no no no no no don't doubt it
And to know how to retain what you just found
Believe in yourself, and we will be proud
Cause you see, oh, We're just the ones that's at this time oh
We'll arrive, yeah, yeah, at the end of our life
Oh, oh, tell the truth
tell the truth
tell the truth
tell the truth
tell the truth
tell the truth, no baby don't tell me no lies, oh
tell the truth, oh yeahhhhh
tell the truth
