Cady Groves

I'm sick of walking on glass on my tiptoes
He curses all the things I say 'cuz I'm a free soul
He wants to blame it on my ex's like a tic tac toe
But he don't know

I don't give a fuck if you don't love me
I don't give a fuck if you don't care
I don't give a fuck if you don't want me
Maybe I'm drunk, or just down on my luck
But I swear, I just don't give a...
Ha!

I took a trip into the city last Tuesday
A million faces, not a single one familiar to me
I'm like a love sick puppy begging for a home
Everybody's stepping on me 'cuz my pace is slow

I freeze and break, dead weight gotta let it go
Thought I had it figured out back in high school
It freaks me out that I'm not a superhero
But I'm doing fine alone
'Cuz I

I don't give a fuck if you don't love me
I don't give a fuck if you don't care
I don't give a fuck if you don't want me
Maybe I'm drunk, or just down on my luck
But I swear

I don't give a fuck if you get lonely
I don't give a fuck if you need me there
i don't give a fuck if you don't love me
You do, but I don't and I swear
That I won't give a fuck
No, I swear that I don't give a fuck
And you do, but I don't and I swear
That I won't, no I won't, no I won't
I don't give a fuck

I don't give a fuck if you don't love me
I don't give a fuck if you don't care

I don't give a fuck if you don't want me
Maybe I'm drunk, or just down on my luck

But I swear

I don't give a fuck if you get lonely
I don't give a fuck if you need me there
i don't give a fuck if you don't love me

You do, but I don't and I swear

That I won't give a fuck

No, I swear that I don't give a fuck

And you do, but I don't and I swear

That I won't and I swear that I won't

Give a fuck

And you do, but I don't give a fuck
