

# I See Fire (Made In Arcade Remix)

Ed Sheeran

Oh, misty eye of the mountain below  
Keep careful watch of my brother's souls  
And should the sky be filled with fire and smoke  
Keep watching over Durin's sons If this is to end in fire  
Then we should all burn together  
Watch the flames climb high into the night  
Calling out father oh stand by and we will  
Watch the flames burn auburn on  
The mountain side high And if we should die tonight  
We should all die together  
Raise a glass of wine for the last time  
Calling out father oh  
Prepare as we will  
Watch the flames burn auburn on  
The mountain side Desolation comes upon the sky Now I see fire  
Inside the mountain  
I see fire  
Burning the trees  
And I see fire  
Hollowing souls  
I see fire  
Blood in the breeze  
And i hope that you'll remember me Oh, should my people fall then  
Surely I'll do the same  
Confined in mountain halls  
We got too close to the flame  
Calling out father oh  
Hold fast and we will  
Watch the flames burn auburn on  
The mountain side Desolation comes upon the sky Now I see fire  
Inside the mountains  
I see fire  
Burning the trees  
And I see fire  
Hollowing souls  
I see fire  
Blood in the breeze  
And I hope that you'll remember me And if the night is burning  
I will cover my eyes

For if the dark returns then  
My brothers will die  
And as the sky is falling down  
It crashed into this lonely town  
And with that shadow upon the ground  
I hear my people screaming out And I see fire  
Inside the mountains  
I see fire  
Burning the trees  
I see fire  
Hollowing souls  
I see fire  
Blood in the breeze I see fire (fire)  
Oh, you know I saw a city burning out  
And I see fire (fire)  
Feel the heat upon my skin  
And I see fire (fire)  
Uhhhhhhhhh  
And I see fire  
Burn auburn on the mountain side
