

We Are Family

The Chipmunks & The Chipettes

Get up everybody and sing Everyone can see we're together
As we walk on by
And we fly just like birds of a feather
I won't tell no lie All of the people around us, they say
Can we be that close
Just let me state for the record
We're giving love in a family dose We are family
I got all my sisters with me
We are family
Get up everybody and sing We are family
I got all my sisters with me
We are family
Get up everybody and sing We are family Living life is fun and we've just begun
To get our share of this world's delights
The high hopes we have for the future
And our goal's in sight No, we don't get depressed
Here's what we call our golden rule
Have faith in you and the things you do
You won't go wrong, this is our family jewel We are family
I got all my sisters with me
We are family
Get up everybody and sing We are family
I got all my sisters with me
We are family
Get up everybody and sing Do do do
We are family, yeah
Do do do
Get up everybody and sing We are family
I got all my sisters with me
We are family
Get up everybody and sing We are family
I got all my sisters with me
We are family
Get up everybody and sing We are family
I got all my sisters with me
We are family
Get up everybody and sing
We are family
