If I Fall

Five Finger Death Punch

I owe you nothing,
I've given everything and more.
I stand for something,
The blood on my hands, the broken bones,
I live it!
Knife in my back, you can't take it back!
"Eye for an eye" is cut and dry.
I'll do what I know, I'll reap what I sow.
While you're waiting for me to fail!
(If I fall?)
If I fall, if I fall,
I'm dragging everybody down.
If I fall I will?
Take everybody down!
(If I fall?)
If I fall, if I fall,
I'm taking everybody out.
If I fall I will?
Take everybody down!
I'm not a voice of reason?
Never been too big on fate.
Seeing is believing.
You run from it all, you stumble and crawl,
I hate it!
Knife in your back, I won't take it back!
Live and let die, the honorable lie.
You do what you know, you reap what you sow.
And I'll be waiting for you to fail!

(If I fall?)
If I fall, if I fall,
I'm dragging everybody down.
If I fall?
I will take everybody down.
(If I fall?)
If I fall, if I fall,
I'm taking everybody out.
If I fall I will?
Take everybody down!

(Hey, yeah)
If I fall, if I fall,
I'm taking everybody down.
If I fall? I will!
(If I fall?)
If I fall, if I fall,
I'm dragging everybody down.
If I fall I will?
Take everybody down!
(If I fall?)
If I fall, fuck you all,
I'm taking everybody out.
If I fall I will?
Take everybody down!
If I fall, if I fall, if I fall?
If I fall? I will!
