

# If I Fall

## Five Finger Death Punch

I owe you nothing,  
I've given everything and more.  
I stand for something,  
The blood on my hands, the broken bones,  
I live it!  
Knife in my back, you can't take it back!  
"Eye for an eye" is cut and dry.  
I'll do what I know, I'll reap what I sow.  
While you're waiting for me to fail!  
(If I fall?)  
If I fall, if I fall,  
I'm dragging everybody down.  
If I fall I will?  
Take everybody down!  
(If I fall?)  
If I fall, if I fall,  
I'm taking everybody out.  
If I fall I will?  
Take everybody down!  
I'm not a voice of reason?  
Never been too big on fate.  
Seeing is believing.  
You run from it all, you stumble and crawl,  
I hate it!  
Knife in your back, I won't take it back!  
Live and let die, the honorable lie.  
You do what you know, you reap what you sow.  
And I'll be waiting for you to fail!

(If I fall?)  
If I fall, if I fall,  
I'm dragging everybody down.  
If I fall?  
I will take everybody down.  
(If I fall?)  
If I fall, if I fall,  
I'm taking everybody out.  
If I fall I will?  
Take everybody down!

(Hey, yeah)  
If I fall, if I fall,  
I'm taking everybody down.  
If I fall? I will!  
(If I fall?)  
If I fall, if I fall,  
I'm dragging everybody down.  
If I fall I will?  
Take everybody down!  
(If I fall?)  
If I fall, fuck you all,  
I'm taking everybody out.  
If I fall I will?  
Take everybody down!  
If I fall, if I fall, if I fall?  
If I fall? I will!
