The Lonely

Christina Perri

2am where do I begin ?
Crying off my face again
The silent sound of loneliness
Wants to follow me to bed

{Chorus}
Im a ghost of a girl that I want to be most
Im a shell of a girl that I used to know well
Dancing slowly
in an empty room
Can the lonely take place of you ?
i sing myself a quiet lullaby
Let you go and let the lonely in
To take my heart again

Too afraid to go inside
For the pain of one more loveless night
For the loneliness will stay with me
And hold me till I fall asleep

{Chorus}

Broken pieces of a barely breathing story
Where there once was love
Now there's only me
And the lonely

Dancing slowly in an empty room
Can the lonely take the place of you?
I sing myself a quiet lullaby
Let you go and let the lonely in
To take my heart again....
